

BAULINE UNITED CHURCH

Church services. For the months of January, February and March will be held at the Bauline Community Center. This is mainly due to the decrease in income to the church and our inability to incur the cost of heating the church during these cold winter months.

The dates of the services are:

January 2nd and 16th

February 6th

March 6th and 20th

Effective December 16th the church will follow the new COVID rules issued by Eastern Health. This means we are back to 50% capacity which equates to 50 people. Vaxpasses are mandatory in order to attend, masks must be worn at all times, singing is permitted and seating is open to sit wherever you wish. PLEASE SHARE THIS POST.

WASTE REMOVAL SCHEDULE

The waste removal for 2022 will change regarding bulk pick-up. Effective January 2022, there will **NOT BE** weekly bulk or metal pick-up. In the meantime, here is the schedule for Garbage/recycle pick-ups over the next month. Fridge magnets should be here early in the new year, and will be distributed then.

Dear Friends and Neighbours

Despite the ongoing pandemic and restrictions, the Christmas Season is still the most wonderful time of the year. Snow is falling, there's a hustle and bustle in the air, and everyone is getting into the spirit of Christmas.

The Mayor, Councillors and Staff of the Town of Bauline wish all of you and your families a Merry Christmas and a Peaceful New Year. May 2022 bring you Good Health, Happiness and Prosperity... and the conclusion to this dreadful pandemic.

At this time of year, we also ask that you think of people in the community who have lost someone or who are less fortunate in these harsh economic times. Please, safely reach out to them over the holiday season and also to those who might be alone at Christmas.

With the warmest regards for a joyful Yuletide season.
